Summary of 2019 Updates

Program Updates: In 2018-19, Relay hosted 36 Colorado participants in its National Principal Academy Fellowship, National Principal Supervisory Academy or Instructional Leader Professional Development programs. It has 32 participants registered for 2019-20. Relay is also providing deep support to some Colorado districts, including Montezuma-Cortez and Pueblo, through its regional support model.

Evidence Updates: Relay provided student outcomes evidence for the schools in Montezuma-Cortez and Pueblo, where it has been providing regional support. Schools in both districts saw improvements in academic outcomes that outpaced other schools in those districts. Though currently a Tier 3 or 4 evidence base supports Relay's programs, several outside evaluations are in progress.
