

ATTENTION COLORADO EDUCATORS!

Did you know?

Colorado educators **review and provide guidance** on the appropriateness of **every** ELA/CSLA passage and science simulation before appearance on a CMAS assessment

Colorado educators **write every question** that appears on the CMAS and CoAlt Assessments

Colorado educators **review every newly-developed question** to ensure content alignment and freedom from bias and sensitivity issues

Colorado educators **review actual student responses** to determine the range of acceptable responses for a test question

Colorado educators **review data associated with questions** to determine if those questions are appropriate for inclusion on the CMAS and CoAlt assessment

SHAPE THE FUTURE OF CMAS AND COALT ASSESSMENTS!

Scan the QR Code to join our educator database and receive notifications for future meetings!

Districts are reimbursed for substitute expenses, or **teachers are paid up to \$320/day** if a substitute is not needed! **Most meetings are held in the summer!**

All meetings are **professional development opportunities for CDE license renewal.**

Travel expenses are reimbursed and lodging is provided for educators traveling more than 35 miles to the meeting site.
