ACCESS- WIDA Screener: Apple's iPadOS 13.x Release
Apple recently released an update for Operating System iPadOS 13.x, which has introduced a compatibility issue with DRC INSIGHT Secure App for iPads.

If you plan to administer WIDA ACCESS for ELLs or WIDA Screener using an iPad, we ask you **not** to install the update and remain on the current version until DRC has fully assessed this new version. If you have already updated your iPad Operating Systems to 13.x, additional information will be provided to you once DRC testing is complete.

WIDA and DRC will notify you if any additional actions are required.

Please contact **DRC Customer Support** with any questions at WIDA@DataRecognitionCorp.com or **1-855-787-9615.**

DTC Kick-Off 2019-2020 Webinar Registration
The 2019-2020 DTC Kick-Off Webinar is scheduled for **Wednesday, October 16th, 2019 12:45 p.m. – 2:00 p.m.** CDE asks that districts make arrangements to share one connection per district if they wish to have multiple participants. This will help CDE ensure that the 100 participant session limit is not exceeded. A recording will be made available for individuals who are unable to attend the live session. Go to https://www.surveymonkey.com/r/3BKZ7ZN to register. Invitations with the webinar URL will be sent out on October 14th.

If CDE needs to update or change your DTC contact information, please use the link to access the DTC Appointment Form and contact Collin Bonner at Bonner_C@cde.state.co.us to make changes.
