Dear Superintendents,

Yesterday we sent the second edition of The SPARK, the newsletter we've created for Colorado teachers. The January edition has news about the TLCC survey as well as background regarding the State Board of Education's interest in helping teachers prepare to support our English language learners.

As I mentioned to you before, we are currently sending the newsletter to teachers who have indicated, while engaging in the licensing process, that they would like to get news from CDE. If you think all of your teachers would like to receive this newsletter, please feel free to forward it to them.

Thanks so much for your support!

Katy Anthes, Ph.D.
Commissioner
