

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

1. Requirement for System for Award Management (SAM)

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at <https://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.
3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.
4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.
