# MATH STUDY

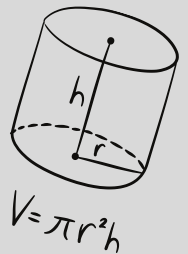

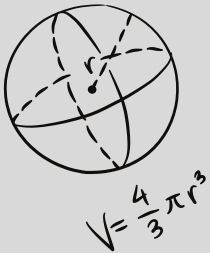

The Colorado Department of Education's SSN Network will be holding a Math Study. This module is an 8-week virtual, facilitated training & discussion that focuses on math instructional strategies for students who qualify for and receive their instruction on the Extended Evidence Outcomes (EEO). The course will begin the week of September 9th through November 19th with regular meeting time on Tuesdays from 4:30 - 5:30 pm.

This book study group is for school personnel who are directly involved in math instruction (planning, preparation, delivery) of students who are working towards the alternate achievement standards or Extended Evidence Outcomes (EEOs).

You are invited to apply and to participate you must agree to a few assurances/requirements/expectations listed below.
