

Colorado Department of Education

Speech Language Advisory Committee (SLAC)

SLAC Mission Statement:

The Committee believes that speech-language pathologists and special educators in Colorado deserve innovative professional development opportunities that address issues, challenges, and evidence-based practices relevant to infants, toddlers, children and adolescents with disabilities. The Committee provides advice on policies and procedures for best practices and in the alignment and standardization of services across the state. Committee members consist of regional representatives, hospital representatives, school administrators, university liaisons and various other stakeholder groups. Regional Representatives act as liaisons for their regional public school SLP constituents. They are nominated by their Special Education Director and chosen through an application process to serve in this capacity. Representatives from the Colorado Speech-Language-Hearing Association (CSHA), the university programs, and community liaisons were added to the Committee to ensure collaboration between significant stakeholders across the state.

CDE

Tami Cassel, Supervisor, Speech –Language Pathology

Regional Representatives

Northeast Region - Jennifer Seedorf - jseedorf@neboces.com

Northwest Region – Angie Simpson - asimpson@rfschools.com
