

2023-2024 Student Interchange – Adjustment

Changes from 2022-2023 are highlighted in yellow.

Purpose:

Adjust Anticipated Year of Graduation (AYG) cohort membership in the event that ~~if~~ a school district has received notification that a student who was reported as not exiting, dropout, expulsion or HSED Transfer during a previous reporting period (prior school year) is completing their education or has completed their education through another education agency. ~~a cohort membership base adjustment can be made.~~ Adjustments can only be made for students who were reported as not exiting, dropouts, expulsions, or HSED Transfers from a school administered by the reporting district. Zero-fill all adjustment fields that are not used. Adjustment codes ~~should~~ **may** only be used ~~with~~ **for** 7th-12th graders.

Important:

Adjustment records are only utilized as part of the Student End of Year data collection.

Dependencies:

Student has been assigned a SASID and updated in the RITS system.

Student's final record in a prior year indicated student was ~~marked as~~ a dropout, expelled, or HSED transfer. ~~in a prior year.~~

Record Expectation:

The LEA should submit 1 record per student per LEA for any student whose exit type from a prior year needs to be adjusted.

Adjustments to Anticipated Year of Graduation (AYG) Cohort Membership Base or Beginning Counts

If a school district has received notification that a student who was reported as not exiting, dropout, expulsion or HSED Transfer during a previous reporting period (prior school year) is completing their education or has completed their education through another education agency, a graduation cohort membership base adjustment can be made. Adjustments can only be made for students who were reported as not exiting, dropouts, expulsions, or HSED Transfers from a school administered by the reporting district. Zero-fill all adjustment fields that are not used. Adjustment codes should may only be used with for 7th-12th graders.

Note: Do not create an adjustment record if the student attended a school within the reporting district at any point during the current school year.

Adjustment Justification Codes – Indicates the reason an adjustment is needed based upon the notification regarding the student’s updated educational circumstances received by the district last attended by the student. District must maintain documentation of the adjustment circumstances.

Note: Adjustment Justification Codes correlate to the final school exit type for the student in the prior school year being adjusted.

00	Not Applicable – No Adjustment
-	Adjustments for Dropouts
40	<p>No Documentation of Reenrollment – <i>Example:</i> Student was reported as not exiting (exit type ‘00’) during EOY the prior year Student End of Year collection, but did not re-enroll in the current school year subsequent fall, and the school district did not receive request for transcripts (adequate documentation) from another school district or state or other official notification that student is enrolled in an educational program not administered by reporting school district (i.e. participating in home study program, HSED program, nonpublic school program, etc.).</p> <p><i>Note: Student will remain in the AYG cohort and be counted as a dropout.</i></p>
41	<p>Request for transcripts received – <i>Example:</i> Student was reported as an EOY dropout (exit type ‘40’) or not exiting (exit type ‘00’) in a prior school year, but the school district receives request for transcripts from another school district or state or other official notification that student is enrolled in an educational program not administered by reporting school district (i.e. participating in home study program, HSED program, nonpublic school program, etc.) in the current school year.</p> <p><i>Notes:</i></p> <ul style="list-style-type: none"> • Student will be removed from the AYG cohort. • May also be used if district receives request for transcripts for students reported in a prior year as exit type 18 (transfer to Career and Technical Education Program), exit type 19 (Transfer to Licensed Eligible Facility School or State Operated Program), exit type 21 (Transfer to facility operated by the Colorado Department of Corrections), exit type 26 (transfer to a detention center out of district), or exit type 30 (illness/injury).

2023-2024 Student Interchange – Adjustment

Changes from 2022-2023 are highlighted in yellow.

42	<p>Student received HSED from an educational program not administered by reporting district – Example: Student was reported as EOY a dropout (exit type '40') in a prior year but appeared on the HSED recipient list maintained by CDE, <u>OR</u> school district has received other notification of HSED completion in the current year.</p> <ul style="list-style-type: none"> Student will be counted as a HSED recipient (completer) for their AYG's completion rate. -	Adjustments for Expulsions
51	<p>Request for transcripts received – Example: Student was reported as EOY an expulsion (exit type 50) in a prior year, but school district received request for transcripts from another district or state or other official notification that student is enrolled in an educational program not administered by reporting district (i.e. participating in home study program, HSED program, nonpublic school program, etc.).</p> <p><i>Note: Student will be removed from the AYG cohort.</i></p>
52	<p>Student received HSED from an educational program not administered by reporting district – Example: Student was reported as EOY an expulsion (exit type 50) in a prior year but appeared on the HSED recipient list maintained by CDE, <u>OR</u> school district has now received other notification of HSED completion in the current year.</p> <p><i>Note: Student will be counted as a HSED recipient (completer) for their AYG's completion rate.</i></p>
-	Adjustments for External HSED Program Enrollees
71	<p>Request for transcripts received – Student was previously reported as transferring to an external HSED program (exit type 70) in a prior year, but school district received request for transcripts from another school district or other official notification that student is enrolled in an educational program not administered by the reporting school district.</p> <p><i>Note: Student will be removed from the AYG cohort.</i></p>
77	<p>Student received HSED from an educational program not administered by reporting district – after exiting the district with exit type 70 in a prior year Example: Student was previously reported as transferring to an external HSED program outside the district (exit type 70) in a prior year in the 2005-2006 school year or later (exit code 70), but appeared on the HSED recipient list maintained by CDE, <u>OR</u> school district has received other notification of HSED completion.</p> <p><i>Note: Student will be counted as a HSED recipient (completer) for their AYG's completion rate.</i></p>
-	Adjustments for Misreported Graduates

2023-2024 Student Interchange – Adjustment

Changes from 2022-2023 are highlighted in yellow.

90	<p>Misreported Graduate – Student was previously reported as not exiting (exit type '00') in a prior year during the adjustment school year but the school district awarded the student a regular diploma without them attending school during the current school year.</p> <p>Example: Student who graduated over the summer before the August 31st deadline but was miscoded as retained and not exiting. Student was reported as not exiting during the previous school year; however, the student was actually awarded a diploma during that school year and did not re-enroll in current school year. Click here for more information regarding Colorado's Graduation Guidelines.</p> <p>Note: Student will be counted as a graduate for their AYG's graduation rate.</p>
96	<p>Misreported Graduate, Postsecondary Program – Student was previously reported as not exiting exit type '00') in a prior year during the adjustment school year but the student completed a Postsecondary Program (i.e., ASCENT/ PTECH/TREP) and was awarded the student a regular diploma without them attending school during the current school year.</p> <p>Example: Student who graduated and completed a postsecondary program (i.e., ASCENT/PTECH/TREP) over the summer before the August 31st deadline but was miscoded as retained and not exiting. ASCENT/PTECH/TREP student was reported as not exiting during the previous school year, however the student was actually awarded a diploma during that school year and did not re-enroll in current school year. Click here for more information regarding Colorado's Graduation Guidelines.</p> <p>Note: Student will be counted as a graduate for their AYG's graduation rate.</p>

Adjustment School Code – The four-digit code for the school the student last attended in a prior year.

Adjustment School Year – The adjustment school year must match the last four digits (spring semester) of the prior school year in the School Exit Withdraw Date for the School Exit Withdraw Type being adjusted. The adjustment year cannot be in the currently reported school year.

Examples: An adjustment being made for a student with a school exit withdraw date of 12/10/2020 would use adjustment school year 2021. An adjustment being made for a student with a school exit withdraw date of 03/31/2021 would also use adjustment school year 2021.
