The meeting was called to order by chairman, Jesús Escárcega. The committee reviewed the minutes from the September 2015 meeting. Minutes were approved as written.

Waiver Update – Pat Chapman

- Originally submitted in March 2015
- State Board of Education (SBE) study session on October 27 to consider and grant permission for amendments
- SBE approved amended waiver at November meeting
- Update on reauthorization discussion in Washington

Accountability Work Group Update – Alyssa Pearson

- Accountability hold for current school year
- Planning for release of frameworks in fall of 2016
- Accountability Work Group is developing new frameworks with input from various groups, including:
  - Rural LEAs
  - Assessment Experts
  - Advocacy Groups
  - Superintendent Advisory Group
  - Technical Advisory Panel for longitudinal growth
  - The Center on Standards and Assessment
- New law will likely give states responsibility for accountability system
- Considering performance measures beyond one state test
- Alyssa provided copies of framework mock-ups
- Committee discussed the idea of an aggregated subgroup
- Consensus in state that growth will remain in frameworks
- 11<sup>th</sup> grade assessment is out for bid

### Neglected and Delinquent Programming – Stacy Goodman

- Webinar trainings upcoming
- Annual (October) count is not providing accurate information
  - Irregular attendance
  - Schools wait until after October count to refer students
  - No flexibility from USDE
- Issue of some facilities that provide acute psychiatric care are educational programs are not supported by Title I-D
- Questions, comments and feedback can be provided to Stacy Goodman

### CDE Federal Programs Technical Assistance Plans – Jennifer Simons

- Virtual Academy will replace ESEA Office Hours
  - Content scheduled and delivered by topic
  - More information for Title I principals
  - Registrations through Eventbrite
- Information available on CDE website (Virtual Academy has its own page)
- Committee request webinars on:
  - Set-asides
  - District Managed Activities
  - Training for School Board Members

### Consolidated Application – Anna Yong and DeLilah Collins

- More LEA plan information to be included in narrative section of application
  - Part of SEA and LEA monitoring
- Committee urged CDE to only include information that is required to release funds
  - Avoid using Cons App for monitoring and data reporting purposes
- Application to be field tested in late winter / early spring
- Modules available in early April
- Future application may be phased throughout the year
- Committee expressed concern about delayed timeline and release of application for 16-17

### Monitoring – Jeff Klein, Brad Bylsma, and Barb Goldsby

- CDE updated committee on plans for combined monitoring of ESEA/IDEA programs
- Committee provided positive feedback for initiative
  - Streamline processes
- Committee asked for adequate preparation time
  - Also noted that many districts are not collaborating on these programs
  - Messaging will be important when program is rolled out

Meeting was adjourned at 3:00
