Affinity Group	Group Discussion/Activity: Talk about the positives and the drawbacks for supporting these	
Work:	legislative priorities. Provide a one sentence summary	
<u>GE-SAC</u>		
Legislative	Education: Clarity and being clear with expectations and the language with how we are going to	
Feedback	complete priorities. ALP, Endorsement, Accountability- the more it should looks like SPED, it can	
Information	be restricted to the type of programming. Need to understand the need for amount of teachers	
Sheet.pdf	for GT	
<u>_</u>		
	Community: ALP, Accountability, Endorsement- more legislative areas for talent pool, unclear	
	baseline of All education to have a baseline GT education. Would like to see social emotional	
	measures as well for accountability. Desire for teachers who want to work with students is	
	higher than the education)	
	Parents ALP (authentic), Accountability (approach to education for GT students ), Endorsement	
	(need for qualified teachers but may have barriers)	
	More notes:	
	Probably do not have enough teachers with endorsement according to the data that	
	was pulled from Rebecca	
	• GERCs Conversation are being had but has to go down to what can be added in	
	legislation
