# Colorado Multi-Tiered System of Supports (CO-MTSS)

**WHO:** Open to all Colorado Educators and School Teams

**WHAT:** A one-day training event focused on improving school-level implementation of MTSS across the state.

**WHEN:** Monday, April 22<sup>nd</sup>, 2019; 9:00-4:00 \*Lunch will be on your own\*

**WHERE:** Embassy Suites by Hilton Denver Tech Center North  
7525 East Hampden Avenue, Denver, CO 80231

We are excited to announce an upcoming one-day event on Colorado Multi-Tiered System of Supports. This event will be open to all educators and will provide information on Colorado's approach to MTSS, the role of RtI within MTSS, and strategies for improving school implementation. It is recommended that schools send their Building Leadership Teams (i.e., school-level) in order to achieve ideal outcomes from the day.

**Scott Ross, PhD, BCBA-D**

## Highlights of the Day

- Illustration of the 5 Essential Components of MTSS
- Clarification about the difference between RtI and MTSS in Colorado
- Discussion of the use of Implementation Science as the foundation for systems change
- Opportunities for discussion of your school's MTSS implementation
- Teamwork time around how to improve the supports you provide your students
