You are now on the Site Claim Report Page here you will enter all claim information for the selected site. You will need the following five pieces of information to complete the claim: total ½ pints purchased, total cost of milk, number of operating days, number of reimbursable milks served as free, and number of reimbursable milks served as paid.

M1—Enter the total number of fluid milk ½ pints purchased this month. If buying milk in quantities of milk greater than individual ½ pints, convert to ½ pint equivalents using tips below.

- Milk by the Gallon = 16, ½ pints per gallon
- Milk by the 5 gallon = 80, ½ pints per 5 gallons

M2— Enter the total cost of fluid milk purchased this month. This number is the total cost, as seen on receipts, invoices, purchase orders, etc. This is not a per unit price.

M3— Enter the number of operating days in the month. This is the number of days that the Special Milk Program operated in the selected month. For Example: If you operate Monday through Friday, and the month has 4 weeks then you had 20 operating days that month, subtract any observed holidays and site closures.

M4—

- a. Enter the number of reimbursable milks served as **Free** to students. **IMPORTANT:** Only Enter free milk if you are operating a **pricing with free option**.
- b. Enter the number of reimbursable milks served as **Paid** to students. **IMPORTANT:** If you are operating a **non-pricing program** input all milks served to students in the paid row
- c. The total line will calculate automatically.

Click the red **“Save”** button at the bottom of the screen.
