

Worksheet for Webinar #4

Date: _____

List one issue your data identifies that you want to determine the root cause. Now ask why?

EXAMPLE:

One example:

Why are students dropping out? Because they are not accumulating enough credits to graduate.

Why? Because they are failing their classes.

Why? Because they report that going to class is boring, so they do not attend class.

Why? Because teachers lecture too much.

Why? Because no one has shown teachers how to make their subject matter more interesting.

Why? Because the district has not provided the supports necessary to help teachers develop new skills for working with adolescent learners.
