

Tuesday, November 17, 2015

The State Advisory Council for Parent Involvement in Education (SACPIE) is meeting online today (due to inclement weather conditions). If you choose to join electronically, please use the following information to log on. You will need an Internet browser (typically, Internet Explorer or Mozilla Firefox work well), and you will need a telephone line for speech capabilities. Note: We are unsure of compatibility with tablets/IPads. You may be asked to do an update or add-on for functionality.

URL to log on: <http://connect.enetcolorado.org/sacpie/>
U.S. Phone # (when you enter the virtual meeting space, you are prompted to either have the conference line call you or you can call in): 1-855-840-9121

If you have questions, email Kim Watchorn at:
Watchorn_k@cde.state.co.us.
