AskColorado/AskAcademic Marks Ninth Anniversary

On Sunday, Sept. 2nd, ASK (AskColorado & AskAcademic) marked its ninth anniversary! On Sept. 2nd, 2003, ASK opened for business and has been fielding questions from eager information seekers ever since. Here's what a recent patron had to say about the service:

"Great service! I wish I had known about it a long time ago. What a great way to promote Colorado libraries!"

ASK is a member-based organization that operates on a model similar to NRP, being grant and member funded and supported. A current list of our member libraries is available here:
http://www.askcolorado.org/info/participating.html

The following libraries are nine-year, continuing members of the organization, which means they've been with ASK since the beginning. We think these libraries deserve special recognition and a round of applause:

* Adams State University, Nielsen Library
* Aims Community College, Kiefer Library
* Bud Werner Memorial Library (E. Routt LD, Steamboat)
* Colorado Christian University Library
* Colorado State Publications Library
* Elbert County Library District
* Jefferson County Public Library
* Health Sciences Library, University of Colorado at Denver, Anschutz Medical Campus
* Mamie Doud Eisenhower Public Library (Broomfield)
* Colorado Mesa University, Tomlinson Library
* Montrose Regional Library District
* National Indian Law Library
* Penrose Community Library District
* Remington College
* Salida Regional Library (Southern Chaffee County Regional Library District)
* San Miguel County Public Library District #1 (Telluride)
