Motion to approve the minutes, Evelyn made motion - Ernie 2nd - vote approved

### **Membership Vacancies**

Tina will continue with TAC and will be a four year member. She takes Tom Harltess' position. Married 34 years. Has driven since 1994 and started in Gunnison. Took over as Trans Director in Swink, CO.

Central Region - Brad Carriveau, Eagle

Jeff Bandt - Academy 20

Evelyn will move to an alternate

One opening in Pikes Peak

Two openings North Central Region

West Central - Ernie is extended until someone else has interest

Frank motions to approve membership changes - Tom Second

### **Upcoming Conferences**

STN will be a discussion on Electric Buses

NASDPTS will be in Washington - information is on the website

### **TSA**

Security Training offered by TSA, free of charge to all school bus drivers. Susan is thinking of partnering with Wyoming and being the Pilot for the program. Biggest concern is keys left on buses.

### **Railroad Crossing concerns**

Steve Jancowski has spoken with RTD about railroad crossings. If there is gate, red lights you have to stop. The only time you don't need to stop is if there is an exempt sign. Best Practice is to stop regardless. Susan will look into having the Individual attend one of our meetings.

### **New CDL Manual**

There are a few changes to the manual. Susan is trying set up a data base of school districts that can train at smaller districts. The new manual is on the website.

Susan would like to see a database of trainers, supervisors, etc who can train some of the smaller districts.

**Federal ELDT**

It is going to be delayed but we don't know when. The proposal is to wait until after the NASDPTS conference to see if there are changes. Susan is getting the thumb drives and getting the powerpoint ready. We will go live in October as long as there are no big changes.

**New Supervisors**

Notify Susan of changes in leadership at your district. Send notice to the region to remind them to notify Susan.
