

Holiday Family Fun Night

Eiber Elementary

Description/Summary

Eiber Elementary community collaborates with Holy Shepherd and Saint Paul's Church to provide an opportunity for families to share dinner, build Christmas crafts and traditions with their family. Staff members are partnering in this event as a follow up to our Family Math Night (November) and to highlight our building goal which is to improve students' math scores on MAP.

Every family has the opportunity to build math games which they can then take home to play with their families over the winter break.

Key Elements

- Math games
- Holiday celebration
- Team work

We are ONE – We are Title I

Family School Partnership Family:

Principal: Stacy Bedell

Family Engagement Liaison: Cynthia
Saunders

Family School Partnerships

Jefferson County Title I Family-School Partnership group is made up of family representatives from each Title I school, Title I Family Engagement Liaisons, and Title I department staff. We meet six times throughout the school year at the District Education Center in the Boardroom. To remove barriers for families, Title I provides food and child enrichment programs at each meeting.

This year, FSP families gained knowledge of the 6 National Standards for Family School Partnerships and then looked within their own school communities to identify and highlight a promising practice and worked link it to student success.

Link to Student Outcomes

- Creating a welcoming environment
- Creating community connections
- Builds family and teacher partnerships
