Meeting Objectives

- Finalize RPWG recommendations based on survey monkey feedback
- Provide clarification on next steps for RPWG and finalizing the report

Meeting Activities

The meeting took place virtually in Adobe Connect so that all members could review the revised version of the recommendations based on feedback in Survey Monkey.

Each recommendation was presented for review, opened up for comment/ questions. These comments will be used to make final revisions to the report.

CDE Presented information on the legislative process, report deadline and where members of the RPWG can engage moving forward. The group was thanked for all of their contributions and encouraged to stay connected to other CDE efforts in the future.

All goals for the session were accomplished.

Next Steps

CDE is finalizing the report and will send this out to the RPWG for final feedback by December 6, 2019.

The RPWG's recommendations will be presented at the January 9, 2020 State Board of Education meeting. Three members of the working group will present.

CDE will submit the final RPWG report to the legislature on or before February 1, 2020, as required by the authorizing legislation.
