

2018-2019 Student Interchange – End of Year Adjustments

Purpose:

If a school district has received notification that a student who was reported as not exiting, dropout, expulsion or HSED Transfer during a previous reporting period is completing their education or has completed their education through another education agency, a cohort membership base adjustment can be made. Adjustments can only be made for students who were reported as not exiting, dropouts, expulsions, or HSED Transfers from a school administered by the reporting district. Zero-fill all adjustment fields that are not used. **Adjustment codes should only be used with 7th-12th graders.**

Dependencies:

Student has been assigned a SASID and updated in the RITS system.
 Student was marked as a dropout, expelled, or HSED transfer in a prior year.

Record Expectation:

The LEA should submit 1 record per student per LEA for any student whose exit type from a prior year needs to be adjusted.

Adjustments to Graduation Cohort Membership Base or Beginning Counts

If a school district has received notification that a student who was reported as not exiting, dropout, expulsion or HSED Transfer during a previous reporting period is completing their education or has completed their education through another education agency, a cohort membership base adjustment can be made. Adjustments can only be made for students who were reported as not exiting, dropouts, expulsions, or HSED Transfers from a school administered by the reporting district. Zero-fill all adjustment fields that are not used. **Adjustment codes should only be used with 7th-12th graders.**

Adjustment Justification Codes

00	Not Applicable – No adjustment
Adjustments for Dropouts	
40	No Documentation of Reenrollment. <u>Example:</u> Student was reported as not exiting during EOY, but did not re-enroll in the subsequent fall and the school district did not receive request for transcripts from another school district or state or other official notification that student is enrolled in an educational program not administered by reporting school district (i.e. participating in home study program, HSED program, nonpublic school program, etc.).
41	Request for transcripts received. <u>Example:</u> Student was reported as an EOY dropout or not exiting, but the school district receives request for transcripts from another school district or state or other official notification that student is enrolled in an educational program not administered by reporting school district (i.e. participating in home study program, HSED program, nonpublic school program, etc.).
42	Student received HSED from an educational program not administered by reporting district. <u>Example:</u> Student was reported as EOY dropout, but appeared on the HSED recipient list maintained by CDE, OR school district has received other notification of HSED completion.

2018-2019 Student Interchange – End of Year Adjustments

Adjustments for Expulsions	
51	Request for transcripts received. Example: Student was reported as EOY expulsion, but school district received request for transcripts from another district or state or other official notification that student is enrolled in an educational program not administered by reporting district (i.e. participating in home study program, HSED program, nonpublic school program, etc.).
52	Student received HSED from an educational program not administered by reporting district. Example: Student was reported as EOY expulsion, but appeared on the HSED recipient list maintained by CDE, <u>OR</u> school district has now received other notification of HSED completion.

Adjustments for External HSED Program Enrollees	
71	Request for transcripts received. Student previously reported as transferring to an external HSED program but school district received request for transcripts from another school district or other official notification that student is enrolled in an educational program not administered by the reporting school district.
77	Student received HSED from an educational program not administered by reporting district after exiting the district with exit type 70 in a prior year. Example: Student was previously reported as transferring to a HSED program outside the district in the 2005-2006 school year or later (exit code 70), but appeared on the HSED recipient list maintained by CDE, <u>OR</u> school district has received other notification of HSED completion.

Adjustments for Misreported Graduates	
90	Misreported Graduate. Student previously reported as not exiting during the adjustment school year but the school district awarded the student a diploma without them attending school during the current school year. Example: Student was reported as not exiting during the previous school year, however the student was actually awarded a diploma during that school year and did not re-enroll in current school year.

Adjustment School Code – The four-digit code for the school the student last attended.

Adjustment Year – The adjustment year must match the year in the Exit Withdraw Date for the Exit Withdraw Type being adjusted. The adjustment year cannot be in the currently reported school year.
