

2022-2023 Special Education Discipline Interchange – Discipline Action File

Purpose:

The purpose of the Discipline Action file is to obtain discipline data on students with disabilities that resulted in suspension, expulsion, or unilateral removal by school personnel or hearing officer.

Dependencies:

Student has been assigned a SASID and updated in the RITS system.

Record Expectation:

Each record represents a single suspension, expulsion, or unilateral removal of a student with an active IEP at the time of the discipline start date. The discipline action must have taken place within the current reporting period. Students with multiple actions throughout the school year should have multiple records on the file.

REPORTING NOTES:

Report children with disabilities who were ages 3 through 21 as of the child count date and were subject to a:

1. **Discipline:**
 - a. In-School Suspension (01)
 - b. Out-of-School Suspension (02)
 - c. Expulsion (03)

AND/OR a

2. **Unilateral Removal to an Interim Alternative Education System (IAES) for 45 days or less:**
 - a. Unilateral Removal by School Personnel
 - b. Unilateral Removal based on a Hearing Officer's determination

A Discipline Action that spans two school years (school days missed in both years) should be reported in both collection years with the same Action Identifier, Incident Identifier, and Incident Date. The Discipline Start Date and Discipline Action Length should reflect only the days missed within each school year.

Students who were removed by school personnel for drugs, weapons, or serious bodily injury for 10 days or less and were not sent to an interim alternative educational setting should be reported as having been suspended.

Exclude students who have cumulatively been suspended for less than half a school day from this file.

Exclude parentally-placed private school students from this file.

In instances in which the IEP team meets to determine the appropriate setting where a child will receive educational services following a unilateral removal by school personnel, a removal by a hearing officer for likely injury, or a suspension or expulsion, the removal *must* be reported on the discipline report.

If, following a discipline offense, the IEP team meets and determines that the child's current placement is not the least restrictive

2022-2023 Special Education Discipline Interchange – Discipline Action File

environment for that child, and therefore makes a ***permanent change** in the child’s IEP placement , DO NOT report that specific action on the discipline file. If the child is suspended *pending* an IEP team meeting in which his or her IEP placement is changed, the suspension must be reported.

***A permanent change of placement is a situation in which, following a student’s violation of a code of student conduct, the IEP Team decides to change the student’s placement, and such placement is intended to be permanent, i.e., extend beyond the period of any disciplinary action.**
