

2023-2024 Special Education IEP Interchange – Coordinated Early Intervening Services File (CEIS)

Purpose:

The purpose of the Coordinated Early Intervening Services File is to represent those students whom you provided CEIS to at some point during the school year.

Important:

Completion of this Interchange file is not required unless your AU funded CEIS or CCEIS using Federal dollars. Data entered here is not included in the Special Education EOY or December Count Snapshots nor does it impact December Count funding.

Early Intervening Services refers to School Age (K-12) only and is not the same as Early Intervention Services (related to Part C). Students may only be reported for Early Intervening Services if your Administrative Unit/State Operated Program chose to use up to 15 percent (CEIS) or was required to use 15 percent (CCEIS) of its IDEA: Part B funds for Early Intervening Services, and had an approved Federal Application Narrative for the use of those funds.

Dependencies:

Student has been assigned a SASID obtained from the RITS system.

Student has a record in the Student Interchange for:

- Demographics
- Student School Association

Record Expectation:

Include 1 record for each student within your Administrative Unit who received Coordinated Early Intervening Services at any point during the reporting period.

 - Indicates Primary Key

* Indicates required
