

2013-2014 Student Interchange –Advanced Course Completion

Purpose:
The purpose of the Advance Course Completion file is to represent those students who enroll in a post secondary enrollment program or who complete an advance placement course in the school year.

Dependencies:
Student has been assigned a SASID and updated in the RITS system.
A record for the SASID/student exists in the Student Interchange-Student Demographic file.
A record for the SASID/student exists in Student Interchange-Student School Association File

Record Expectation:
Records in this file should only exist for a student if they are enrolled in a post secondary program or completed an advance placement course at any time within the currently selected school year. In these cases, the LEA should submit:

- 1) Students who enroll in a Post Secondary Enrollment Program (i.e. Ascent) at any point in the year using the Semester 1 and Semester 2 distinctions within the currently selected school year.
- 2) Students who complete an Advance Placement Course within the district within the currently selected school year.

A student could have multiple records in this file if he/she attended multiple schools within the currently selected school year.

Postsecondary Program--Colorado Law provides for high school students to apply credit earned at postsecondary institutions toward high school graduation as well as a postsecondary degree or certificate. Eligible students shall not be more than 21 years old, shall be enrolled in grades 9-12 at a Colorado public school district, and shall have given written notice to the resident school district of intent to enroll at least two months prior to such enrollment. The participating school district and the institution of higher education shall enter into a written cooperative agreement which shall include but not be limited to academic credit and payment of tuition.

First and/or Second Semester A or B Postsecondary Participation – Indicate which Post Secondary Program a student participated in for each semester and whether or not the school district paid tuition to the Institution of Higher Education.

Please Note: Coding 1, 2, 7, or 8 requires that the school district enter into a legal agreement with an institution of higher education.

Code	Program	Grade
0	Not Applicable	PK - 12
1	ASCENT Program Accelerating Students through Concurrent Enrollment. A program which allows concurrent enrollment in postsecondary courses, including academic courses and career and technical education courses, in the year directly following the year in which a student was enrolled in the twelfth grade of a local education provider and has met graduation requirements.	12 Only
2	Concurrent Enrollment A program which allows the simultaneous enrollment of a qualified student in a local education provider and in one or more postsecondary courses, including academic or career and technical education courses, at an institution of higher education. Only students in grades nine through twelve may participate in concurrent enrollment.	9 - 12
7	Early College A secondary school that provides only a curriculum that is designed in a manner that ensures that a student who successfully completes the curriculum will have completed either an associate’s degree or sixty credits toward the completion of a postsecondary credential. Early College includes only the following:	9-12

Any individual age 16 to 21 who has dropped out of school may participate with the permission of the school district. A participating student who is enrolled in at least seven credit hours per semester is counted as full-time in the school district’s funded pupil count.</p>	<p>Age: 16 to 21</p>

NOTES:

- Report postsecondary course participation in the semester during which the participation took place. If a course spans multiple semesters (i.e. a year-long class), report program participation in both semesters. If your district operates on a trimester or other non-traditional schedule, you will need to make a determination regarding which semester (1st or 2nd) you will assign postsecondary participation to, then consistently apply this determination for all Post Secondary Program students.
- The “A” and “B” designation is used only when:
 - A student participates in more than one postsecondary course in a semester and attends differed Institutes of Higher Learning

2013-2014 Student Interchange –Advanced Course Completion

for each course.

First and/or Second Semester A or B Institution Code – The four-digit code of the eligible institution of higher education where the student is receiving education services during first and/or second semester. To find a list of institution codes, please refer to frequently requested codes at <https://cdeapps.cde.state.co.us/highered.htm>.
